MEMORANDUM FOR: Ad Hoc Requirements Committee Members

SUBJECT: Covers for TALENT Reports

1. Attached hereto is a proposed cover to be used on TALENT reports which might be produced by HTAUTOMAT for all participating agencies who wish to use this type cover.

2. While there is no intent to make all agencies conform in detail, it is believed that there would be merit in handling if the covers on all TALENT reports were the same.

3. If any ARC member wishes, he may order at the next ARC meeting a quantity of covers in either letter or legal size, and they will be delivered in the near future. Naturally, the imprimatur of the issuing agency would have to be overprinted by that agency as well as the title of the report.
